

TechnoDex gets RM6.93m deal from MoF

KUALA LUMPUR: The open source based business software developer, TechnoDex Bhd, has won a contract worth RM6.93 million from the Finance Ministry (MoF). The company said in a statement it had received a letter of acceptance (LoA) from the valuation and property services department of MOF for the hardware and software maintenance service contract on November 5. "The contract was for the provision of property information system Malaysia hardware and software maintenance in the valuation and property services department, subject to the terms and conditions stipulated in the LoA," it said.
