Some SMEs and micro-SMEs have received more than one assistance offered by the government, with eligibility based on qualification, he said in the 32nd LAKSANA report on the implementation of the Prihatin Rakyat Economic Stimulus Package (PRIHATIN), National Economic Recovery Plan (PENJANA) and Kita Prihatin Economic Stimulus Package (KITA PRIHATIN), released today.

Tengku Zafrul said among the assistance and benefits included the SME Soft Loans Funds under Bank Negara Malaysia worth RM11.13 billion for 23,700 SMEs, the Wage Subsidy Programme worth RM9.89 billion that has supported about 300,000 SMEs and micro SMEs, as well as 1.85 million workers, and the Prihatin Special Grant 1.0 and 2.0 worth RM2.55 billion for over 850,000 micro SMEs.

entrepreneurs, generating over RM1.2 billion in sales from an allocation of RM140 million.

Tengku Zafrul said government agencies will continue to provide facilities such as soft loans and grants, including under Budget 2021.

"The government hopes that all these supports and assistance will enable the SMEs to compete in the medium and long term, as well as inculcate technology and operational systems that are modern and relevant in this new norm," he said, adding that the government is committed to providing continuous support to SMEs and micro SMEs from the implementation of the first stimulus package, PRIHATIN until the recent Budget 2021.

As of Nov 27, 2020, a total of 5,301 SME applications with a financing value of RM1.09 billion have been approved under bank PENJANA SME Financing from 5,104 applications worth RM1.06 billion, which have been approved last week.

The government has allocated RM2 billion, with priority given to SMEs which have never received any bank financing before under the initiative.

Meanwhile, RM227.5 million and RM94.8 million have been channelled to 6,492 micro SMEs in the retail and services sectors under the Bank Simpanan Nasional's (BSN) PENJANA Credit Micro Financing and 14,267 micro SMEs under Tekun Business Recovery Scheme (TBRS), respectively.

In addition, a total 506 applications have been received for the PENJANA Tourism Financing initiative, of which 229 applications with RM46.2 million financing have been approved.

"With the reopening of cross-state travel, this facility is expected to help SMEs in need of funds in the near future," he said.

The PENJANA Tourism Financing was introduced to support local micro and SMEs in the tourism sector with an allocation of RM1 billion.
