KEMENTERIAN KEWANGAN MALAYSIA

MINISTRY OF FINANCE MALAYSIA

The Ministry of Finance ("MOF") of the Government of Malaysia has been informed by its wholly owned subsidiary 1MDB that it is in dispute with the International Petroleum Investment Company ("IPIC") concerning, among other things, the obligations of 1MDB and IPIC in respect of certain publicly issued notes. The MOF wishes to make clear that it will continue to honour all of its outstanding commitments in the financial markets.
