Government Is Committed To Ensure Recovery of 1MDB Assets

PRESS RELEASE | 20 JULY 2020

The effective recovery of 1MDB assets remains a key priority for the Malaysian Government. As part of these efforts, the Government has proactively taken action across multiple countries and organisations. In addition, led by Malaysia's Attorney General's Chamber, the Government has also been conducting ongoing discussions and negotiations with multiple international organisations including Goldman Sachs Group Inc.

This week, senior representatives from Goldman Sachs Group Inc. have flown in to Malaysia to continue discussions and negotiations with the Government. We hope these discussions will prove to be fruitful and will enable us to move closer towards achieving the desired results on the recovery of 1MDB assets.

Most importantly, the Government is fully committed to ensuring the recovery of 1MDB assets. We are taking every action and step to ensure a recovery value that is fair and just for the Malaysian people.

YB Tengku Dato' Sri Zafrul Tengku Abdul Aziz
